

Red Hat Accepting Speaking Proposals for Red Hat Summit 2016

DEC 15, 2015

Proposals for 12th annual Red Hat Summit accepted through Jan. 11, 2016; Red Hat Summit to take place in San Francisco, June 28 - July 1

RALEIGH, N.C.--(BUSINESS WIRE)-- Red Hat, Inc. (NYSE: RHT), the world's leading provider of open source solutions, today announced that speaking proposals are being accepted for Red Hat Summit 2016, the industry's premier open source technology event. The 12th annual Red Hat Summit is scheduled to take place June 28 - July 1, 2016 at the Moscone Center in San Francisco. Red Hat Summit has become a must-attend event for open source technology, with customers, partners, and open source industry leaders from around the world coming together for a high-energy week of innovation, education, and collaboration.

Attendees at Red Hat Summit 2016 will hear keynotes from some of the biggest names in technology and will have opportunities to network while also attending hands-on training and labs, interactive sessions, live demos, panels, and partner showcases. Red Hat Summit will feature something for everyone, with expert-led sessions geared towards different roles and industries.

At Red Hat Summit 2016, attendees will hear about technology innovations that are transforming enterprise technology. Red Hat is accepting proposals for the event on a wide range of topics, including: application development; big data; cloud computing; containers; DevOps; hybrid IT infrastructure; the Internet of Things (IoT); Linux platforms; management; middleware; mobile; storage; virtualization; and more.

The deadline to submit speaking proposals is Jan. 11, 2016. Selected speakers will be notified in March 2016.

Forward-Looking Statements

Certain statements contained in this press release may constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements provide current expectations of future events based on certain assumptions and include any statement that does not directly relate to any historical or current fact. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors, including: risks related to the ability of the Company to compete effectively; the ability to deliver and stimulate demand for new products and technological innovations on a timely basis; delays or reductions in information technology spending; the effects of industry consolidation; the integration of acquisitions and the ability to market successfully acquired technologies and products; uncertainty and adverse results in litigation and related settlements; the inability to adequately protect Company intellectual property and the potential for infringement or breach of license claims of, or relating to third party intellectual property; risks related to data and information security vulnerabilities; ineffective management of, and control over, the Company's growth and international operations; fluctuations in exchange rates; and changes in and a dependence on key personnel, as well as other factors contained in our most recent Quarterly Report on Form 10-Q (copies of which may be accessed through the Securities and Exchange Commission's website at <http://www.sec.gov>), including those found therein under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations". In addition to

these factors, actual future performance, outcomes, and results may differ materially because of more general factors including (without limitation) general industry and market conditions and growth rates, economic and political conditions, governmental and public policy changes and the impact of natural disasters such as earthquakes and floods. The forward-looking statements included in this press release represent the Company's views as of the date of this press release and these views could change. However, while the Company may elect to update these forward-looking statements at some point in the future, the Company specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing the Company's views as of any date subsequent to the date of this press release.
